Dear Mr. Longo and Mr. Fowkes:

As you are probably aware, the above referenced Mr. Cook has passed away. I represent one of his sons, Carl Cook, in his capacity as executor for the estate.

I am writing at this time to request, on behalf of the estate, that the water and sewer bills be reduced. It is my understanding that total bill is approximately \$10,300.00. The estate is claiming that this property was never actually serviced totally by these two products. Also, any service, if provided, was so long ago, the 1970's and 1980's, that it would appear not to be billable. It is the estate's request the total be reduced to the following:

	<u>WATER BILL</u>	<u>SEWER</u>
Bill	\$777.03	\$1,174.17
Lien Charges	\$650.00	\$650.00
Total	\$1,427.03	\$1,824.17

TOTAL FOR BOTH WATER AND SEWER BILL = \$3,251.20

Please feel free to contact me should you have any questions and advise if this bill reduction is approved.

Thank you.

Very truly yours,

Richard M. Seguljic
